(1) Setup fee includes opening of billing channels: e-invoices, scanning services and printing. Setup fee will be charged again, if all Netvisor services are closed and they are re-opened for the customer. If the service needs to be closed due to unpaid bills, re-opening the service will cost 100,00 € (+alv 24%).

(2) The monthly fee includes one free user

(3) If a customer has more than one API in use, the customer will be charged with the API fee listed in this pricing document, even though one of the APIs would be of discount. If the customer is using one API, and it holds a discount, the customer will be charged with only the discounted price. Visma Solutions Oy reserves the option of pricing the interface according to the materials transferred on a transaction-by-transaction basis. The pricing is based on the price of the e-invoice.

(4) Reference payments for POS systems integrated to Netvisor are 0,08 €/pc. If you are using a POS integration, contact Netvisor Billing (laskutus@netvisor.fi) so the price can be set.

(5) Price includes costs of electronic invoicing, sent or received, which are sent through Maventa. If other banks are used, billing is done by the bank directly.

(6) Vendor invoices and receipts can be transferred via e-mail or Visma Mobile scanner. eScan price will also be charged if attachments, or documents which consists attachments, are sent via the service. eScan transactions are included when end user has activated Netvisor's time sheet and travel management service.

(7) Price includes:

- Data transmission
- Printing, enveloping and distribution
- Distribution by the chosen quickness
- Materials
 - blank form, A4, black and white printing
 - window envelope C5 tai C4
- In colour prints 0,10€ will be added to unit price.

(8) If Visma Solutions Oy needs to make a copy of the material, the cost of time spent is added to the price (140€ /h)

All prices are marked without taxes. As invoicing VAT will be added. Prices will come into force on 1.5.2021. All paper invoices send will hold a charge of 5 € per invoice. Visma Solution Ltd has the right to change the existing fees and charges by publishing a change in Netvisor eAccounting dashboard.
