Netvisor Professional -package without fees for companies registered in 2024

Netvisor Professional

Get Netvisor Professional package, which includes wide range of financial management tools with automation features.

12 months no monthly fee

Offer covers opening fee, monthly fee and expenses for payroll and travel expenses feature. Transaction fees are not included in the offer.

For new companies

Offer can be used by companies which are new Netvisor users and registered into Finnish Trade Register in 2024.

Are you planning to work with an accounting office?

Campaign offer can also be used by accounting offices' clients.

How to get started?

Read the campaign terms at netvisor.fi/uudet. Start using Netvisor and activate the offer by filling the form on campaign website or contacting your accounting office.

What is a transaction fee I still need to pay?

Transaction fee means materials such as invoices and bank statements sent from/received by Netvisor.

What happens when the offer ends?

Offer includes 11 months + starting month. After this, the invoicing starts according to normal terms of service. Campaign is not binding. You can stop using Netvisor anytime.

Partnership with The Finnish Enterprise Agencies
